

St. Joseph Multi-Purpose Center

PLEDGE FORM

This Parish Center will be a multi-purpose facility to serve the needs of the church and school. It will include a modern commercial kitchen; church offices; meeting rooms, a reception hall with stage for use as a cafeteria, performing arts, or banquet hall; restrooms; and storage space.

To obtain financing from the Diocese of Honolulu, we must raise 50% of the actual cost to construct the center. The 50% may include "total pledge amounts" in addition cash on hand.

Your pledge will help bring about this much needed facility. In determining how much to pledge we ask that you pledge from your heart and within your financial means. Once you decide what your pledge will be, please complete and return this form to the parish.

(Example: A \$10,000 pledge to be completed in 5 years could be paid in weekly, monthly, or annual payments. This would amount to \$38.46 per week; \$166.50 per month; or \$2,000 annually.)

Donor Information (please print or type)
